About Our College

Welcome to NRI University. Our institution encourages students to learn, innovate and develop skills for their future careers.

Our Departments

Computer Science

Learn programming, software and computing.

AIML

Explore Artificial Intelligence and Machine Learning.

Electronics

Understand electronic systems and circuits.

Mechanical

Learn engineering design and manufacturing.

Popular Courses

B.Tech

Undergraduate engineering programme.

Artificial Intelligence

Study intelligent systems and data.

Web Development

Build websites using HTML and CSS.

Campus Facilities

Library

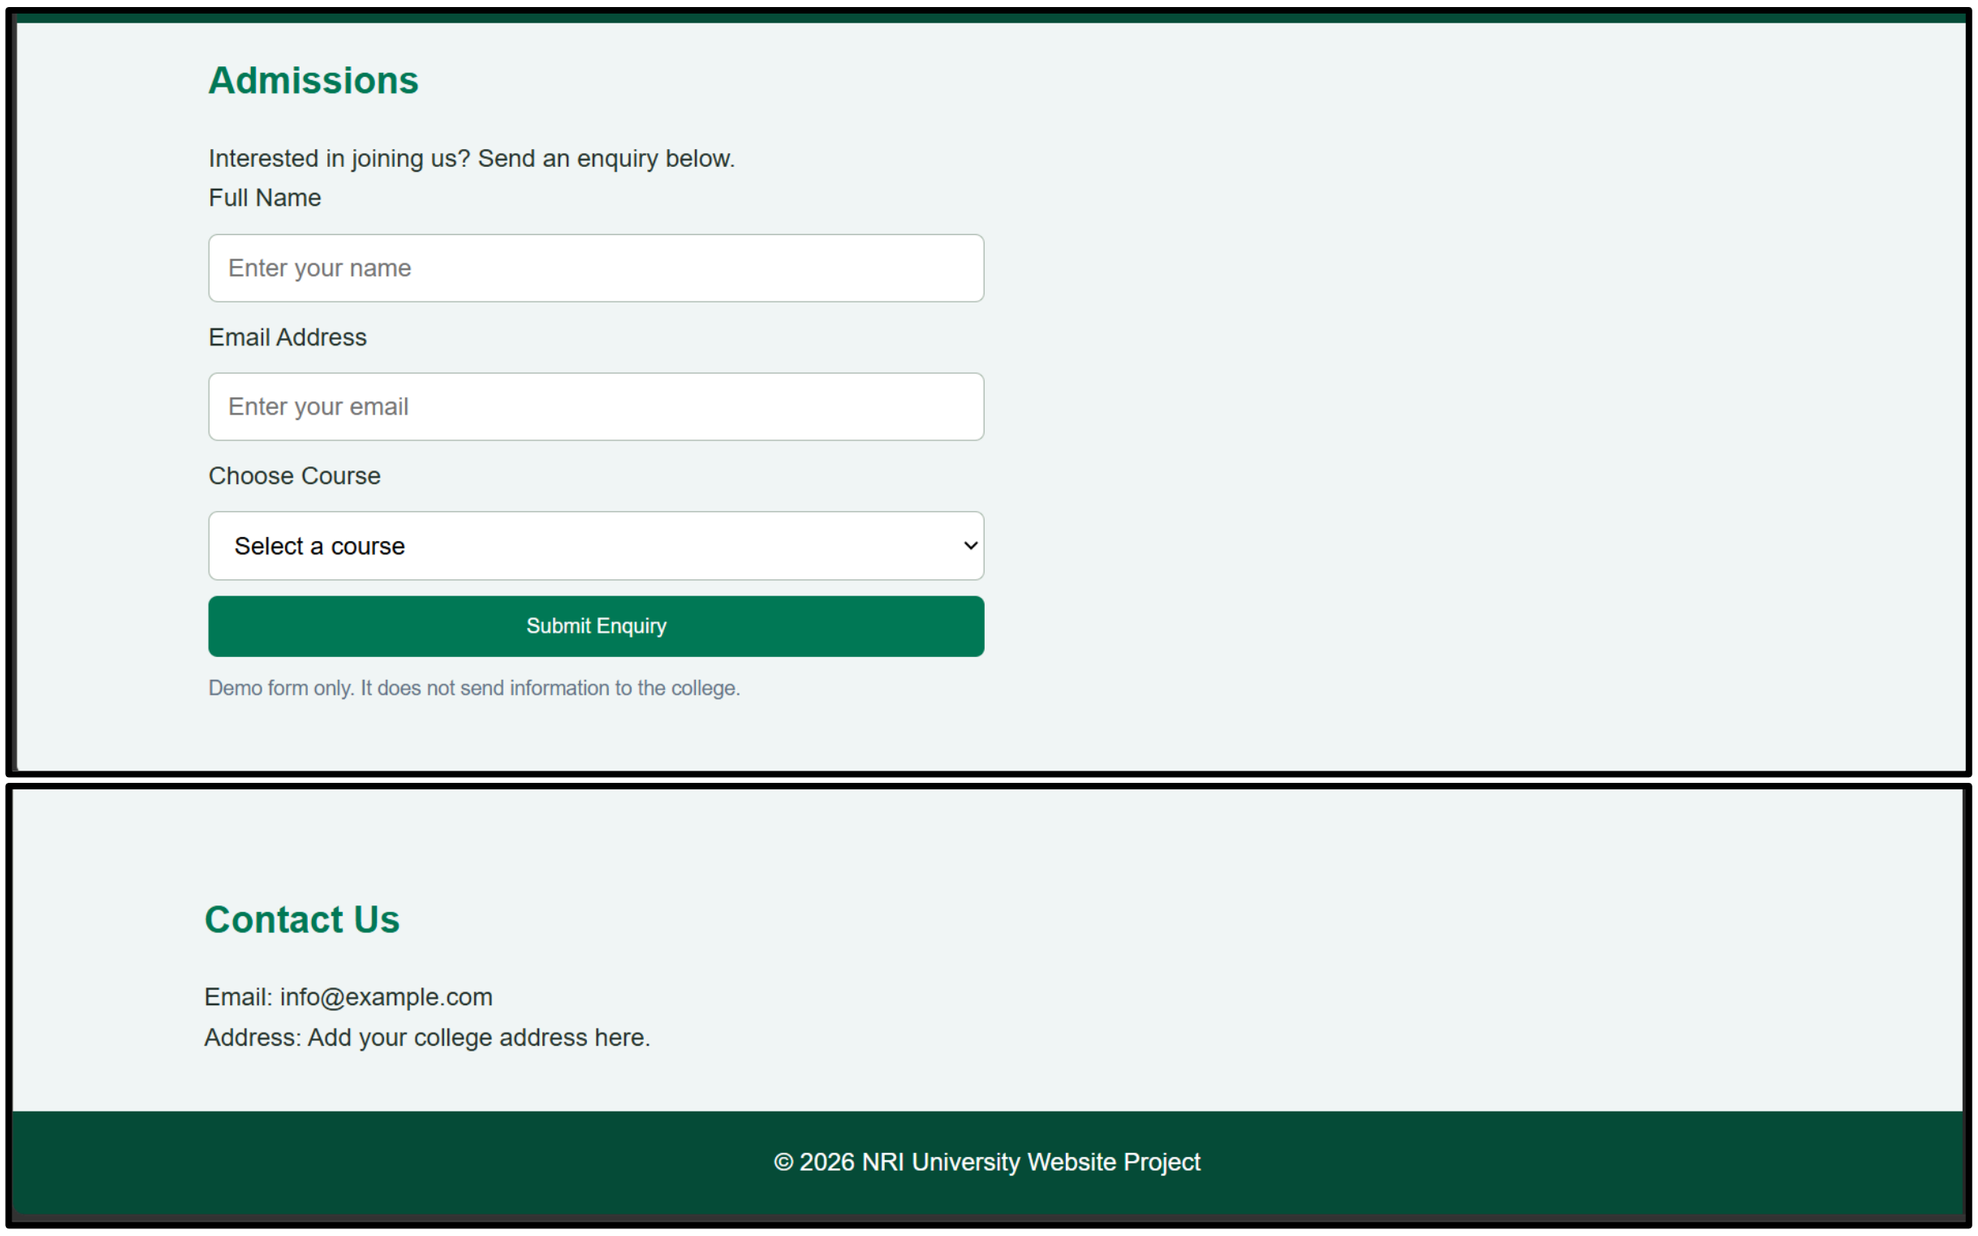

Books and learning resources for students.

Computer Labs

Practice programming and technical skills.

Sports

Facilities for games and physical activities.
